

A review by an EU INTENSE partner

Course: Science Methodology

Credits	2 ECTS (optional course), 12 in-class hours
Level	PhD students
Host institution	Karazin Institute of Environmental Sciences, V.N. Karazin Kharkiv National University, Ukraine)

Assessment criteria	Answer			Comments
	Yes	No	Need to be modified	
The course has appropriate place in curricula (year and semester of study)	Y			
Contents is relevant to the PhD program requirements	Y			
The course contents is well developed and allows to achieve learning outcomes and skills	Y			
Aim and objectives are well formulated	Y			
Distribution of workload is well balanced	Y			
Grading system is well developed and distribution of scores is well balanced	Y			
Teaching methods are relevant	Y			
Literature is relevant	Y			
The course can be proposed to PhD students on other specialties and research areas	Y			

Overall assessment and comments:

The workload of the course is well distributed. The balance between theoretical classes and group activities is necessary to introduce and practice how to plan and carry out independent research. The literature and the classes give support to the objective of the course.
